

GROUNDWORK

Laying the Foundation for the Next Generation of Foundation Practitioners

Sponsoring Opportunities for DFII Student Outreach Program Webinars

About DFII

Deep Foundations Institute of India (DFII) is a non-profit organization and a chapter of DFI, a USA-based international non-profit organization established to advance the deep foundation construction industry. Follow the link <http://www.dfi.org/default.asp?india> to know more about DFII programs.

DFII Groundwork Programs

Emulating the success of DFI, its Indian chapter embarked upon implementing multiple programs under **Groundwork** platform for the benefit of the student community in India pursuing coursework in geotechnical and foundation engineering and construction.

Benefits

- Exposure to practical design, construction, QC/QA topics
- Acquiring soft skills and knowledge about career opportunities in geotechnical and foundation industry
- Participation in various DFII programs
- Meeting global experts and leadership of various companies

Avenues/Resources/Opportunities

Monthly Webinars	Annual Conference	Participation in Competitions
Internship/Job Opportunities	Access to 140,000 DFII Publications	Free Student Membership
Access to DFI Magazine, Journals	Be Part of DFII Technical Committees	

By means of these programs, DFII maintain live relationship every month with faculty and students of colleges across India by offering presentations on interesting technical topics, soft skills, career prospects that aid them to join geotechnical and foundation industry with ease and confidence.

International Experts made presentations on interesting topics in the recent past

Prof. Harry G Poulos (Coffey Services, Australia), **Prof. Rolf Katzenbach** (Technical University of Darmstadt, Germany), **Dr. Devon Mothersille** (Geoserve Global Ltd , London), **Ms. Mary Ellen Large** (DFI, USA), **Prof. Anne Lemnitzer** (University of California, USA), **Ms. Jewels Stover** (Nicholson Construction, USA)

Sponsoring Opportunities for Monthly Webinar Programs

Here, is an opportunity to various companies to showcase their image to student fraternity across India and to support DFII in achieving this mission goals.

DFII monthly webinar programs can be sponsored at **Rs 25,000/webinar**, companies will have an opportunity to play a **Two minutes promotional video** about their company/product during the program.
